Call two of the Councilors at Large offices on Wednesday

Call the other two of the Councilors at Large on Thursday

Sample Script use your own style, be respectful and polite:

"Hi, my name is _____, and I live at _____. I own and operate a motorcycle in Boston . I've checked for my EPA Stamp and to find it, I have to get down on my knees or lay on my back. I think this Ordinance is crazy. Do you think Boston's Enforcement Agents are going to get down on their knees or on their backs, on the streets of Boston, to look for my EPA Stamp or are they just going to give me a \$300 ticket ? I'd like this Ordinance repealed. Can you have the Councilor (or Mayor) contact me so I can express this directly to them. My number is _____. Thank you."

Let us know you did this and the response you got

Email us at Contact@JusticeRider.com. Give us your phone number if it's easy for us to call you to find out what was said. If you do NOT get a response by Tuesday, August 4, call them back, two on Tuesday, Wednesday and Thursday, and repeat the above script , starting with, *"I called your office last week, . . . but haven't gotten a call back yet . . . "*

Ask your riding friends to do the same -

Rally your friend to make some meaningful NOISE with phone calls to officials

ROAR ON !
