

Non-Citizen Bikers visiting and working in Boston

***"EPA" means "Either PAY or ACT !"
Make some "meaningful NOISE"***

Here's how you can help Boston's Bikers to repeal this EPA Stamp Act,
Help stop it there . . . so it does not come to your community!

1.) **Find the EPA Stamp/Imprint/Engraving on your exhausts**

2.) **Who in Boston Represents YOU ? - No One! BUT you have economic clout !**

The Mayor represents & cares about businesses and tourism money. There are 4 City Councilors at Large that care about the same. The Greater Boston Chamber of Commerce cares about business and revenue. They appreciate where you choose to spend \$25 - \$100 in one night. Add to that 1,000-plus Citizen-Bikers & it adds up to a lot of money that contributes to local economy and jobs. It's an "economic cycle" that you have the spending power, which translates into a Political Strength!

Former Secretary of the Commonwealth, Paul Guzzi, is the President and CEO of the Boston Chamber. He knows politics. He can be reached at 617-557-7330 or pguzzi@bostonchamber.com

3.) **MAKE 'meaningful NOISE' - SIX CALLS, BEGINING TOMORROW !**

Call the Mayor's Office and Greater Boston Chamber of Commerce on Tuesday.

Call two City Councilors at Large offices on Wednesday

Call the other two City Councilors at Large on Thursday

Sample Script . . . use your own style, be respectful and polite, . . .

"Hi, my name is _____, and I live in _____. I own and operate a motorcycle and usually travel (work) here in Boston and I've checked for my EPA Stamp - and while I can find it, I have to get down on my knees or on the ground - on my back - and I think this Ordinance is crazy. Do you think Boston's Enforcement Agents are going to get down on their knees or on their backs, on the streets of Boston, to look for my EPA Stamp or are they just going to give me a \$300 ticket ? It is unlikely I'll be dropping \$25 - \$100 a week at Boston area business until this Ordinance is repealed. If you'd like to call me back, my number is _____. Thank you ."

4.) **Let us know you did this and the response you got:**

Email us at Contact@JusticeRider.com. Give us your phone number if it's easy for us to call you to find out what was said. If you do NOT get a response by Tuesday, August 4, - call them back, two of them on Tuesday, Wednesday and Thursday, and repeat the above script , starting with, *"I called your office last week, . . . but haven't gotten a call back yet . . . "*

6.) **Ask your riding friends to do the same!!!**

Rally your friend to make some meaningful NOISE with phone calls to officials

ROAR ON !
